- * The clock stops on the officials whistle in the last minute of the 2nd and 4th quarters. The clock does not stop after made baskets.
- **Substitution Procedure. Refer to the PSO Basketball League rule book for a more detailed explanation.
 1. Procedures below are a simplified version of the rules. The current year rule book contains the official rules.
 2. 1st, 2nd, and 3rd quarter substitutions are at the first dead ball closest to the 5 minute mark only, as determined by the referee.
 3. All players on the bench must enter the game at the 5 minute substitution in the 1st, 2nd, and 3rd quarters.
 4. There is free substitution in the 4th quarter during any dead ball situation. Subs may enter when the referee calls them in.
