Revised January 2015

### Mission Statement

To teach children and their parents about the love of Jesus Christ using the sport of Soccer.

### Philosophy

PSO soccer uses the sport to reach as many children as possible to share the Gospel with them. By providing quality soccer we can help them grow in their soccer skills and draw in more kids to teach them about Christ. We use the game of Soccer as a tool to equip children with Christian values and character. This league aspires to not only teach children respect for themselves, respect for their opponents, and respect for authority, but we also want to share with them God's love, grace, and humble attitude. By sharing God's Word we pray that they will be saved by His blood and that their lives will be forever changed.

We feel that this program provides a safe and fun environment for the kids to Develop valuable life lessons. We provide positive volunteers acting as role models and teachers that continually share Christ like characters with them every week.

### Devotional Guidelines

- Start devotion 5 min before game is scheduled to start
- Devotion should last 3-4 minutes
- Lead by the HOME team coach (who has prepared to give devotion)
- Must go over the devo and then pray with them before the game
- Mix the teams up so that they are sitting next to the other team and not just themselves
- Huddle up in the center of the field
- Have all other coaches join in with the kids

- c) Spring season: July 31<sup>st</sup> of the previous year.
- d) The age divisions are as follows:

Age Division:

- e) PSO shall provide both boys and girls leagues for each group unless prohibited or undesirable based upon the number of available players.
- f) The Commissioner shall have overall responsibility for all leagues, with the respective League Directors reporting to the Commissioner.

15) Divisions:

- a) A league can be divided into smaller categories (Division 1 & Division 2) as noted above in paragraph 1a. The best teams shall be placed in the higher division – Division 1, based upon prior regular-season standings and the judgment of League officials, if necessary. (The League Director and the Commissioner will be solely responsible for team assignments within a division.)
- b) A League Director shall divide the PSO league into divisions if the number of teams in a league exceeds ten (10) teams. No League Director shall be responsible for more than two (2) leagues or twenty (20) teams. In the event a league comprises more than twenty (20) teams, unless otherwise specified by the Committee, the league shall be equally divided into Conferences so that each Conference is comprised of no more than twenty (20) teams with approximately

an equal number of teams in each division. The Commissioner shall then assign another League Director within the conference. The League Director for the most competitive Conference shall be considered the Senior League Director for that league and shall be responsible for assisting the Commissioner in administering the overall league, as defined by the Commissioner. The Commissioner shall be responsible for submitting the recommended schedule for any games or playoffs in collaboration with the other League Directors.

16) Promotion, Relegation and Playoffs:

- a) At the conclusion of each SPRING and SPRING season, the top two (2) ranked teams from Division 2, shall be "promoted" and take the place of the bottom two (2) ranked teams from Division 1, who will be "relegated" down to Division 2, within the same league. These team standings are based upon the regular-season standings from the immediate season. **Note:** Playoff results will not count towards "promotion" or "relegation" consideration.
- b) Playoffs: U-7, U-8, U-9, U-10, U-11 and U-12 Divisions will each hold an end-of-season, "Playoff Tournament." **Only the top four teams from each division will be eligible for the playoffs if they have participated in the End of Season Celebration.** (See below: Paragraph 31 "Method of Scoring for League or Division Standings.")
  1. **Based upon the regular-season standings from the immediate season, the First place team will play the Fourth place team; the Second place team will play the Third place team;** the two winners from these games will then play each other in a single Championship Game to determine the Winner and the Runner-up for each divisional playoff.
  2. Provisions:
    - (1) **Not applicable in U-5/U-6 divisions.**
- c) Teams that are new to PSO shall be placed in the Division deemed most appropriate and suitable by the League Director and/or Commissioner.

The letter will be delivered to the league Director of both the current team and to the Director of the proposed new league, **plus** the Commissioner. Final approval will come from the Commissioner.
- c) **With approval, a player who exceeds an appropriate age division, BUT is enrolled in a younger grade at school AND is requesting to play on a team where the majority of the players represent a particular school's class, ie. 1<sup>st</sup> grade PCA Lions or 2<sup>nd</sup> grade POP kids, etc. he/she may play with his or her class as long as proof of enrollment (to that school matching with the particular PSO team) has been submitted to the league.**
- d) The playing of any player outside the age limits of the team, as defined above, shall result in the forfeiture of all games in which said player participated.
- e) No team shall play in a league game without first having turned in their player's registration, risk management forms for all adults and coaches as well as all pertinent information, at least forty-eight (48) hours prior to the league game. No

player may be added after the season starts without approval of the Commissioner and submittal of the necessary information to the PSO office. **The playing of any player for whom PSO holds no record will result in the forfeiture of all games in which said player participated and suspension of the coach for one year.**

- f) Any exception to the Player Eligibility Law must be approved by PSO.

18) Team Structure:

- a) A team (coaches and players) formed by PSO and playing in PSO the previous season, may remain as a unit provided they meet the league eligibility and age requirements.

  6. All players will be reviewed by the league to determine eligibility on any team as a returning player.
- g) New teams and returning teams shall be admitted as a formed team provided:
  1. It has been determined by the League that membership to the team was not in any way based upon athletic ability.
  2. That the group was formed in accordance with PSO rules and policies.
